

# Beijing Lullaby

Words and Music by Randall and Sara Effner

© 2011

**Dm** **C**  
Look at you, my precious little son  
**Bb** **Am** **Dm**  
How sweetly you sit there at play  
**C** **Dm**  
You're too young to know why I'm crying  
**C** **Dm** **C**  
The police took your Daddy away.

## Chorus 1

**F** **C**  
Everyone knows he's a good man  
**Bb** **A**  
He didn't do anything wrong  
**F** **C**  
The Party jailed him for one reason  
**Bb** **A** **Dm** **C**  
Believing in Falun Gong.

**Dm** **C**  
Are you cold, my precious little son  
**Bb** **Am** **Dm**  
Last night they turned off the heat  
**C** **Dm**  
We might have to stay at your grandmas'  
**C** **Dm** **C**  
Or else we'll be out on the street.

## Chorus 2

**F** **C**  
The Party's an evil red dragon  
**Bb** **A**  
It claims to be "glorious and great"  
**F** **C**  
But we know the power of Compassion  
**Bb** **A** **Dm** **C**  
Surpasses the power of hate.

**Dm** **C**  
Come to me, my precious little son  
**Bb** **Am** **Dm**  
I just want to hold you a while  
**C** **Dm**  
We must not lose heart or be fearful  
**C** **Dm** **C**  
Now show me your Daddy's bright smile.

chorus 3

**F** **C**  
These dark days will soon be behind us  
**Bb** **A**  
The sun will shine after the rain  
**F** **C**  
The Party will face Heaven's justice  
**Bb** **A** **Dm** **C**  
And we'll be together again.

**Dm** **C**  
Look at you, my precious little son  
**Bb** **Am** **Dm**  
How sweetly you sit there at play  
**C** **Dm**  
You're too young to know why I'm crying  
**C** **Dm**  
The police took your Daddy away.
